

Investing for Success

**Under this agreement for 2016
Springbrook State School will receive**

\$14,180*

This funding will be used to

- Increase the percentage of students in NAPLAN upper two bands Reading in years 3 and 5 so that there is a 50% representation by 2017
- Increase the percentage of students in NAPLAN upper two bands Numeracy in years 3 and 5 so that there is a 50% representation by 2017
- Every student accessing a different year level curriculum (that is, with an individual curriculum plan) will achieve a 'C' standard or better against the relevant year-level achievement standards

Our initiatives include

- Provide professional development and coaching to deepen teacher's understanding of the Australian Curriculum: English with resourcing to support
- Provide opportunities and supporting processes for robust intra-school and inter-school moderation
- Develop a shared understanding of 'data literacy' and support teachers and leadership teams to effectively use data to inform targeted teaching
- Refine the school pedagogical framework (based on the Art and Science of Teaching) and embed it as the shared language of teaching and learning
- Provide education for parents of pre-prep students to support the development of oral language and early literacy and numeracy skills at home
- Develop a plan for monitoring early phase literacy and numeracy, including the schedule of Early Start assessments, opportunities for professional conversations regarding student progress and strategies for intervention
