

Student Resource Scheme 2026 Years 3 - 6

Springbrook State School operates a Student Resource Scheme under the policy and guidelines of the Department of Education Queensland. This scheme is managed by the school and operates in accordance with section 51 of the Education (General Provisions) Act 2006. Please read all of the below information.

The provision of this scheme ensures that well-resourced learning by our students remains our key focus. The scheme is not a fund-raiser for the school. Its purpose is to provide parents a cost effective, value for money alternative to purchasing textbooks, supplying software and licensing, resources and consumable items. Items included are detailed below. This year, any other resources used by students in their learning will be supplied by the school.

The cost of the scheme is \$55.00 per student for the 2026 year.

Important information to note:

- If you have previously completed a Participation Agreement, this is valid for the duration of enrolment at Springbrook State School unless you inform us in writing that you wish to opt out.
- If you wish to join the scheme you are required to read the terms and conditions on the back of the attached Participation Agreement Form. This is the standard form for all Queensland schools.
- Please complete and return the form to the school office.
- Payment is not required until after invoices are sent in February 2026.
- Payment can be made upon receiving your invoice. BPoint is the preferred method of payment. Other methods include internet banking or setting up a Centrepay deduction account. Please note *CASH is the least preferred method of payment.*

The scheme is optional, and you are under no obligation to join. However, please be aware that stationery, books, materials and consumables required under this scheme are not funded by school grants. Therefore, if you do not wish to join the scheme you are solely responsible for purchasing all the stationery, books, materials and consumables for your child to engage with the curriculum. Even if you do not wish to participate, please complete the Participation Agreement Form indicating your intention.

Students enrolling throughout the year are to pay a pro-rata amount based on the full scheme. If a student leaves the school during the school year a pro-rata refund will be available.

If you have any questions, need to discuss this scheme further, or wish to set up a payment plan, please contact Sue Northam in the school office Thursdays or Fridays, or email admin@springbrookss.eq.edu.au.

Yours sincerely,

Tilleea Hoskins
Principal.
